Automotive / Assembly / Machine Operation
Oily Material Handling / Maintenance /
Logistics & Warehousing

Thermo meets dexterity and water repellency

FEATURES

Water repellent liner

The revolutionary liner is engineered to repel water to keep your hands dry even under wet condition like rain, snow and other elements while allowing hands to breathe.

Super dexterity

13 gauge lighter and tighter knitting design ensures superior fit and dexterity which allow workers to do precise work.

Extra Warmth

The fine napped nylon/polyester liner provides amazing warmth and unmatched feel.

Safety

Extra coating of thumb area assures the most important aspect, safety.

Grip Performance

Revolutionary MicroFinish® promises outstanding wet and dry handling.

Comfort

A 13-gauge seamless nylon/polyester liner and ergonomic design assure maximum comfort and minimum hand fatigue.

GLOVE SERIES

No. 329

PowerGrab™
